Members Will Repeal the Distinction of Fines and Fines Will Not Be Paid by Users

In the House on Monday, Sept. 14, 1938, the House passed a bill to amend the tariff laws. The bill was introduced by Mr. Underwood of Michigan. It provides for the repeal of the distinction between fines and penalties. The bill also provides that fines and penalties shall be paid by the users of the goods. The bill was passed by a vote of 215 to 197.

# ADVERTISING FOR HOME PEOPLE

Home stores make a mistake when they ask for trade on the strength of being a home institution. Just to your trade that you can sell in competition with your out-of-town competitors, both in prices and quality and the trade will be yours. You are where the people can see the goods, examine them and know just what they are buying.

## IF YOU WANT TO SELL GOODS

Tell the people that you have them. Tell them just what kind of goods they are and what they are selling for. The Merchant Who Talks the Most to his prospective customers will get the business.

## ADVERTISING IN THE SIGNAL

Will help pull the business to you. Always at your service. Let us talk it over with you.
