Largest and Most Harmonious Convention in History of the Party Met at Cambridge Monday--Adopt Ringing Resolutions Endorsing State and National Platforms, and Select a Good Ticket--Thomas C. Galloway for Senator.

The Democratic County Convention of Washington county met at Cambridge Monday afternoon at 2:00 o'clock.

Chairman Galloway called to order by A. H. Harris, secretary of the county central committee.

J. H. Rivers was chosen temporary chairman, and Hilsinger Galloway was chosen temporary secretary.

There were 70 accredited delegates present, representing a total of 84 votes.

After appointing the various committees the convention adjourned until 1:30 o'clock.

Shortly before the convention was again called to order, Hon. E. F. Richardson, the democratic candidate for congressman, who accompanied the delegates from Weiser, delivered a masterful address to a large and enthusiastic audience.

At the close of the address the convention reassembled and the committee on order of business and permanent organization recommended that the temporary organization be made permanent.

Following is the report of the committee on platforms and resolutions which was unanimously adopted by the Democratic party of Washington county, in convention assembled at Cambridge on the 26th day of September, 1904, and hereby reaffirms our allegiance to the principles of Democracy and hereby adopt the following resolutions as forming our platform:

First--We most heartily endorse the platform and candidates of both National and State Democracy, and pledge our support to the same in the coming campaign.

Second--We especially endorse the stand in our state platform adopted by the democratic convention recently held in Boise, and A. M. Robertson as candidate for governor.

Third--We condemn the last legislature for its action in defeating the Eight Hour law for underground mines, smelteries and others whose employees are both dangerous and unhealthful; for appropriating large sums of state money on a bonds-for-bonds basis; for the passage of the locating lieu of state, offering them a fair and just compensation.

Fourth--We pledge our nominee for senator--Hon. Thomas C. Galloway--to use his influence to secure the needful IMPROVE AND MAINTAIN OUR COUNTY ROADS.

Fifth--And we further pledge the nominees of this convention for legislative position to honestly support all of the planks heretofore by our party in the state platform.

THE TICKET.

The convention then proceeded with the nomination and the following was chosen:

For Senator--Thos. C. Galloway, of Weiser.

Representative--H. C. Dennison, of Pine Springs, and A. M. Robertson of Cambridge.

Sheriff--H. G. Brimsdine, of Weiser.

Assessor--D. E. Lindsay, of Indian Valley.

Treasurer--W. E. Allsop, of Denver.

Commissioner--D. Jas. Dimmick, Thomas Skinner, of Weiser; Ben Hilton, John Lewis, of Cuprum; Ed Dobrin, Eddie Freeman, of Middleton.

The nominee of the convention for senator will be accompanied to Cambridge by H. H. Harris, of Weiser, who always chairman.

Just before the adjournment a message reached J. A. Ferguson, of Weiser, who was standing up in the car, was thrown forward by the shock and badly bruised. His injuries however were not of a very serious character, and he was able to proceed on his journey.

Pretty, whose nose would not be injured, was thrown from the seat and seriously injured about his head. He is now at La Grande, under the care of Dr. Baker.

Immediately after the wreck occurred all necessary preparations were made for the resumption of travel and by two o'clock Saturday morning every evidence of the wreck had been removed.

In addition to the scope of injuries set out from La Grande by the O. R. & N., three more from Baker City on No. 1, to render 10 necessary aid.

As soon as the track was cleared of obstructions, two sections of the train were made up.

The republican primary election of this precinct, last Monday afternoon, Edward Gedkins, J. N. Agnew, W. E. Wahl and Gilbert Sallee were elected delegates to the county convention that meets in Cambridge today. The primary was the largest ever held in this precinct, democrats and non-residents taking part.

We are pleased to note, that the Eagle now "flies the oil cart." They voted non-residents and everything else, at the Baker primaries, the same as they did at Meadows, but, as usual, York couldn't tell the truth about it. It's no matter,after the Weiser republicans, don't you know. Here is what it said:

"There were 300 votes cast at the republican primary election in Weiser precinct last Monday, and how the democrats are wondering where they are going to get off at in that precinct. It is too bad to have away the strength of the republican party before election, but it has to be 'did.'"

W. F. Brenner has "reversed" places with York and is now editing the Silver City Avalanche." Two jobs and Brenner was "attempting it up" in the World for the p. m. and time he is vacationing the political columns of democracy. We've met worst democrats ever, remember when they were going to get off at in that precinct. It is too bad to have away the strength of the republican party before election, but it has to be 'did.'
