The Value of A Check Account

EVERY person who receives and pays out money should have a checking account, but there are many people to whom such an account would be a great help, who, for some reason have failed to take advantage of their opportunity. There is no convenience like a checking account to the person who opens it, and our records could bear witness to this fact.

COOK WITHOUT FIRE

Get a Scientific Electric Cooker and save labor and time. The Cooker heats the same flavor of the food otherwise lost in steam boiling. It retains the sweetest, natural, sugar content. In fact, anything can be boiled, may be cooked from the
