The Great Kherson Oats
DON'T RUSS - DON'T LOSE
Reports from all over the United States show that they out yield all others 10 to 20 bushels, and weeks earlier than others, and we dry they make a crop.
Has yielded about 125 bushels an acre on the James Filer ranch, Weiser, Idaho, 1905.
We advise our customers to get in their whole field with the Kherson, for whether the season is wet or dry you are sure of a large crop.
PRICE \$250 PER HUNDRED who they last: We have only a few more left.
Who they last: We have only a few more left.
