WEISER, WASHINGTON COUNTY, MONTANA, WEDNESDAY, APRIL 2, 1914

## THE GOBUR D'AIENES ANTI-PATRIOTISM VS REALIZATION

## THE HAND OF LABOR

### ONE REASON WHY HIGH FINANCE WILL NOT BE GOVERNOR OF IDAHO

It is a well known fact that the high finance interests of the State are opposed to the election of a Governor who will be able to govern the State in the interests of the people. This is because the high finance interests are opposed to any reform which would result in a more equitable distribution of the State's resources. It is for this reason that the high finance interests are opposed to the election of a Governor who will be able to govern the State in the interests of the people.

### REPUBLICAN CLUB WILL PRODUCE

The Republican Club of Weiser will produce a play on the life of George Washington. The play will be given at the Weiser High School on the evening of April 10th. The proceeds from the play will be used for the benefit of the club.
